

# Campfire Grill

## Features

Special design "dished" cooking area **KEEPS** the food **ON** the grill. **NO** more hot dogs rolling off on the ground!

Chrome finish -- easy to clean!

Unlimited height adjustment!

Full 360 degree rotation!

Included "Driving Sleeve" -- keeps end of steel stake from being mushroomed with hammering stake into the ground.

## Care

Recommended use of cooking spray before each use.

## Directions

Position Steel stake close to fire ring as shown and place the "Driving Sleeve" over stake as shown to protect stake from being deformed and hammer the stake into the ground. Be sure the soil is firm enough to hold the weight of the grill!

After use be sure to rotate grill back over first to burn off any grease, then brush off grill with a bronze brush and wash in hot soapy water.

Allow grill to cool completely before transporting grill!

## Accessories

Vinyl storage bag available.
